QUEEN ELIZABETH COLLEGE Educational Foundation Trust

The Educational Foundation Trust is a registered charity that was established in 1987.

The object of the Trust is to provide a capital sum, the interest from which is used for the benefit of the College and the students attending Queen Elizabeth College.

Foundation Trust**

P.O. Box 4047

PALMERSTON NORTH 4410

**Who may join the
Foundation?**

Membership is open to all those who are interested in serving the community. Many people in the community have had an association with the College (previously known as Palmerston North Technical High School) over the years, either through attending night classes or by utilising the College's facilities.

A well-resourced College is an asset to the community, and the community will benefit through your support of the Trust.

Benefits of membership

Donations and subscriptions become part of the growing fund invested by the Trust.

The interest generated from this fund is then used to benefit the College. Your donation and subscriptions to the trust are tax deductible.

You will have contributed to social well being of the community in assisting the development of the College and in supporting its students and staff.

**The College benefits directly from
the grants given to various
groups and individual students.**

A focus has been supporting students who have gone onto Tertiary study. With the recent government policy change to give students free fees at Tertiary Institutions the Trust has offered all-rounder scholarships for students in all year levels. This year we awarded two year eight scholarships for students coming to Queen Elizabeth College.

In the past the Foundation has supported students to participate in school camps, the Spirit of Adventure and other activities that require support.

Staff at the College have also benefited through grants to support professional development.
