# QUEEN ELIZABETH COLLEGE

354 Rangitikei Street, PO Box 4047, Palmerston North, New Zealand 4442

T: (06) 358 9033 | E: [office@qec.school.nz](mailto:office@qec.school.nz)

---

Tēnā koe,

The portal is an online web site that allows parents/caregivers access to the school's database. There you will be able to see the contact details we hold for your family; your child's timetable; an attendance record (please note there may be delay in updates); an NCEA summary for senior students; and academic reports issued.

The KAMAR website can be saved to your home screen. This link has the instructions on how to save the site to your phone <https://help.school.kiwi/?03-saving-the-site> . The menu on the left-hand side of this link has some other useful information including logging in and changing your password.

Parents/caregivers and students both have access through the same username but different passwords. If you have more than one student at Queen Elizabeth College, you will receive separate username and passwords for each.

The portal address is <https://qec.school.kiwi>

Login details will be emailed to you. Your password is unique to you, and we ask that you please do not share your portal login details with your child. They will be given their own access to the portal.

Should you have any issues accessing the portal please contact the office on [office@qec.school.nz](mailto:office@qec.school.nz) for further assistance or resetting of passwords.

Nāku noa,

Nā Chris Moller  
Principal
